Dear Residents,

We hope you are enjoying
this nice stretch of summer
weather. Another Festival is in
the books and what an
extremely hot one it was.

Thanks to the Festival
Committee and all volunteers
that work so hard to put it on.

Our infrastructure
replacement project on East
Michigan Avenue and South
Frank Street will be starting
soon and will be completed by
October. North Frank Street
will be done, as well, in the
summer of 2020. This is our
continuing program to replace
aging Water Main and updating
Storm Sewers in the Village of
Pigeon.

Landscaping has been
completed at the Pigeon Event
Center (VFW Hall) and we will
finishing sealcoating and
striping of the parking lot
before winter.

Please be respectful of
neighbors when having a
campfire in the Village. If your
campfire is close to a
neighbor's open windows, it
can force windows to be
closed. Please position your
campfire as far away as
possible. Thank you for your
consideration and cooperation.
Have a great rest of your
summer!

Michael LePage
Village President
