Dear Residents,

We are in the midst of a very up
and down winter, to say the least.
So far we have not needed to run
water taps to prevent line freeze
ups. If we see the need to run
water taps, we will alert residents
to do so by sending out a town
wide alert via the Phone Tree.

Our DPW department has been
busy of late clearing ice and
snow from our streets. Thanks for
your continued cooperation of
having vehicles off the streets for
snow removal purposes.

We would like to welcome the
Champagne Funeral Chapel to
Pigeon. The completion of their
renovation of the former Dutch
Kettle and Pigeon Lanes building,
is a beautiful addition to our
business community. They
welcomed the public at an open
house in late December, to show
the community the beautiful
renovations they had done.

Hopefully we have an early
spring this year!

Sincerely,
Michael LePage
Village President
