Run Water Credits

If you ran water in this winter and did
not receive a credit because you used
less in 2018 than in 2017 please
contact the village hall.

SAW Grant

The cleaning and videoing of the
Sanitary Sewer is completed thank
you for your cooperation. You will
still see Spicer in town periodically
throughout the summer and fall
working on other aspects of the grant.

Yard Debris

Please do not place grass clippings
and tree branches out in the street. It
creates a hazard for other residents;
and can cause problems with our

Dear Residents,

It looks like we missed spring went
right on to summer and it will be a
busy one.

You probably have noticed a lot of
out of town vehicles on the streets of
Pigeon. The SAW Grant we received
from the state has many phases to it.
One that might have affected you was
the cleaning of our Sanitary Sewer
Mains. It is a wonderful thing to get
them all cleaned and paid for. In some
unfortunate situations water sprayed
up through toilets or worse. We were
swift to assess the issues and get them
cleaned up. We apologize for any
inconvenience this may have caused.

Sidewalk repair will begin in the
next few weeks which will last for
several weeks. We hope to do as little
disruption to your property as
possible. We will also be doing street
repair and tree trimming this summer.

Any residents who ran water this
winter and did not receive a credit
please contact Village Hall to inquire.
We want to be sure everyone is taken
care of.

Our Village Parks are in wonderful
shape, including our new walking
path. Please take time to bring your
family and enjoy the parks.

Our new Yard Waste Pickup has
started on a weekly basis and is going
great. A reminder you must have an
"X" on the can with yard waste in it
and the "X" must be facing the street.
Have a great summer!

Michael LePage, Village President
