2019 Farmer’s Summerfest

Will be July 18-21, 2019.

Dear Residents,

Hopefully summer is right
around the corner!

The Village has many
summer projects planned that
will be getting underway very
shortly. You may have noticed
yellow ribbons on many trees
around town, they have been
identified and prioritized for
removal. If you have a question
on one on your property, please
contact the Village Hall. Street
infrastructure updates, with new
water and storm sewer
lines, will take place in early
August. The streets affected are
E. Michigan Avenue from N.
Main to Frank Street’s and
South Frank Street. Cost of the
project is \$869,900 of which
funding will be covered by the
street, water funds and street
millage. The project will not
require any borrowed funds or
additional debt to the Village.

Landscaping will be started
and completed at the Pigeon
Event Center (formerly VFW)
in June. Improvements to
Veterans Park, adjacent to the
Hall, with demolition of the
Pump House building in the
middle of the park and replaced
with a Gazebo that can be used
for weddings or family outings.
Weekly yard waste has resumed
during garbage day pickups, be
sure to have an “X” on the
container to identify it for
pickup.
Have a great summer!
President Michael LePage
