and need utilities located please call 1-
800-482-7171 or 811

Yard Debris

Please do not place grass clippings
and tree branches out in the street.
It creates a hazard for other
residents; and can cause problems
with our storm sewers. If you have
branches or grass clippings that
need to be taken care of before the
weekly Wednesday Brush Pick-up
by Emterra, please take them to the
DPW Garage at 70 N. Main St..

Hydrant Flushing

The Village of Pigeon will be
flushing Hydrants during the
days of October 1st through the
5th. You may experience some
water discoloration.

Leaf Pickup

We are asking that you place
your leaves on the grass
between the curb and the
sidewalk. Placing the leaves on
the grass, instead of the street,
enables us to pick up the leaves
during wet conditions and
protects our storm sewers in the
process. We will start picking
up leaves on Thurs., Oct. 8th and
continue to pick up leaves on
Mon. & Thurs. until Thurs.
Nov. 29th. Please have your
leaves out by 7:00 am on the
day of pickup. **Do not place
anything but leaves in the
piles.** Also for everyone's
safety please remember **if you
can't see the operator of the
Leaf Machine, he cannot see
you.** Thank you for your
cooperation

Dear Residents,

Fall is officially here, and
leaves will begin falling. Leaf
pickup will begin in October
and will continue throughout
the fall. We have some street
paving and patchwork to take
place yet this fall, depending on
paving contractor availability.
Sidewalk work is completed for
this year, and plans are to
budget additional sidewalk
repair for 2019. We are looking
at another major street repair in
2019. We hope to replace water
and storm sewer infrastructure
on North and South Frank
Streets to Charles Street. We
will be seeking bids for this
project. With funding in place,
no new long term debt will be
needed to fund the project. The
village auditor Nietzsche &
Faupel PC, reported during the
annual audit review that the
village is in a strong financial
position.

Have a great fall!

Michael A. LePage
Village President
