## Season's Greeting's,

As we wind up the fall cleanup  
season, we will be picking up  
leaves weather permitting.

Street paving for this year is  
complete, and we will be assessing  
next year's work as we budget for  
2018. Council also plans on  
budgeting for more sidewalk repair  
in 2018.

Thanks to Sempra Wind Energy,  
Barton/Malow, and Motor City  
Electric our walking path will have  
lights on poles all the way around  
the path by December 15<sup>th</sup>. Their  
donation of materials and labor is  
contributing \$90,000 to the  
project. In the spring, benches,  
landscaping, and signage will be  
completed.

The VFW Hall renovation is  
coming along nicely with many  
fundraising projects planned to  
help pay for improvements. Please  
stop in some time and look at the  
progress.

Council would like to remind  
you to keep vehicles off the streets  
overnight, in the event snow  
removal in the early morning is  
necessary.

Our Village is maintaining a  
strong financial position which  
allows us to continue making  
improvements to our community.  
Best wishes from the Village  
Council for a Happy Holiday  
season, and best wishes for a  
happy and healthy New Year.  
Michael LePage  
Village President
