## Dear Residents,

With January behind us, I hope  
you are having a good winter so  
far.

We were very fortunate with  
the weather last fall, to  
complete phase 1 of our East  
Michigan Avenue/South Frank  
project. This spring when the  
weather breaks, we will begin  
Phase 2 that will run from the  
corner of E. Michigan and N.  
Main by Thumb Bank & Trust,  
East to the Post Office corner,  
replacing that infrastructure.  
We will be paving a final coat  
from the corner of E. Michigan  
and N. Main to the end of South  
Frank Street all the work is  
completed. Once again at the  
completion of this project, we  
will have funded the project and  
it will not add any long term  
debt to the Village.

We also have additional  
sidewalk improvements  
planned, and additional  
upgrades to our Recreation Park  
coming. Many people continue  
to use the Walking Path even  
through the winter, as our DPW  
staff keep it cleared of snow.

If you have any suggestions  
for Village improvement  
projects, please feel free to  
contact the Village Hall or  
myself at any time.  
Have a great rest of your winter.  
Michael LePage  
Village President
