Dear Residents,

Fall is here with the arrival
of much cooler temps.
Hopefully that will help with
the discoloration of our water.
We buy our water from the City
of Caseville, and they tell us
that the warmer than normal
temps affect the color of the
water taken from the lake when
chlorine is added. EGLE
(Department of Environment,
Great Lakes & Energy) backs
up that explanation. Keep in
mind that we test our drinking
water every day, and it is 100%
safe to drink. We hope that the
cooler temps clear the water in
the next couple of weeks.

Construction on N. Frank
Street began officially Sept 28th.
Weather permitting
construction will be completed
in 3-4 weeks.

Leaf pickup will begin in
October, please see the
information about Leaf Pickup
in this Newsletter.

Repair work is under way at
the Lions Pavilion at the
Recreation Park. The repairs
being done will update the
pavilion, giving it a new and
fresh look.
Have a great fall.
Michael LePage
Village President

MISS DIG

If you are doing any work in your
yard and need utilities located
please call 1-800-482-7171 or 811

Hydrant Flushing

The Village of Pigeon will be
flushing Hydrants during the
days of October 10th – 14th. You
may experience some water
discoloration.

Leaf Pickup

We are asking that you place
your leaves on the grass
between the curb and the
sidewalk. Placing the leaves on
the grass, instead of the street,
enables us to pick up the leaves
during wet conditions and
protects our storm sewers in the
process. We will start picking
up leaves on **Mon., Oct. 10th**
and continue to be scheduled to
pick up leaves on Mon. &
Thurs. until **Mon. Nov. 28th**
pending the weather. Please
have your leaves out by 7:00
am on the day of pickup. **Do
not place anything but leaves
in the piles.** Also for
everyone's safety please
remember **if you can't see the
operator of the Leaf Machine,
he cannot see you.** Thank you
for your cooperation
